Patricia Blasco

Full-Stack Developer | UI/UX Designer

Cocoa, FL | patriciabee.dev@gmail.com | patriciabee.com | (954)736-6242

CAREER OBJECTIVE

Creative and detail-oriented Web Developer & UI/UX designer with experience in designing and coding user-friendly, mobile-responsive websites & applications of all kinds. Worked through 4 years of purely dedicated learning experience, learning JavaScript, PHP, MySQL, Vue, and Laravel, and creating websites for friends, family, and my community. Ready and eager to pursue new challenges in a company that will allow me to collaborate and grow my skills to deliver visually stunning and accessible websites to the world.

SKILLS

Vue.js | Laravel | PHP | JavaScript | CSS | MySQL | Node.js | Pinia | TailwindCSS
BootStrap | Git | Figma | Linux | Windows | Apache | Visual Studio Code
